

Marine Environmental Protection Information Visit to Germany

The German Foreign Office and DAAD are sponsoring a special information tour to bring together a group of fifteen scientists and researchers --DAAD alumni are particularly welcome-- to focus on the theme of marine environmental protection and maritime energy generation. The information visit is scheduled for June 10-19th, 2011 in Germany. An application and CV must be submitted in order to be considered.

Applications must be received by February 15, 2012.

Please send applications to:
