DAAD Young Ambassador Nomination Form (*optional*)

TO BE COMPLETED BY NOMINATOR AT HOME UNIVERSITY INTERNATIONAL / STUDY ABROAD OFFICE

(Although optional, special consideration will be given to applicants nominated by their study abroad office.)

If your nominee is selected, they will become more closely involved in the activities of your office – by offering you their services and enthusiasm but requiring a certain amount of support from your office as well. DAAD Young Ambassadors are in an ideal position to encourage and inform their fellow students about study opportunities and student life in Germany, whether by acting as a peer advisor, giving presentations, organizing on-campus events, helping at study abroad fairs or disseminating informational materials about study, research and life in Germany.

Please note that **only one student** who has recently studied in Germany should be nominated from your institution. DAAD will contact nominators by telephone to confirm the nomination and may also ask additional questions about the nominee – and if chosen, we may also contact you at the end of the year to get your feedback on your Young Ambassador.

You are also encouraged to nominate students who are currently still studying or living in Germany and will return to your campus in the fall. Please make sure that the student fills out the first section of this application and that all application/ nomination materials are submitted to DAAD New York by the deadline.

For questions about the program, please contact Stefanie Gruber-Sliva at (212) 758-3223 ext. 205 or grubersliva@daad.org
