APR**

Double Master's Programmes (DMP)

**15  
JUN**

Business Administration, Economics, Sociology and Social Science, Political Science, Health Economics, Information Systems

# Fees and Scholarships

The University of Cologne does **not charge tuition fees**.

However, all students must pay a social contribution fee of around € 260 per semester. This fee also covers a public transit pass for busses and rail in the region.

Further information on scholarships for international students:

- **DAAD** (as e.g. scholarships)
- The University of Cologne scholarship programmes
  - Deutschlandstipendium
  - Social scholarship of the University of Cologne
  - Scholarships for students with disabilities or chronic illness

# Career Opportunities

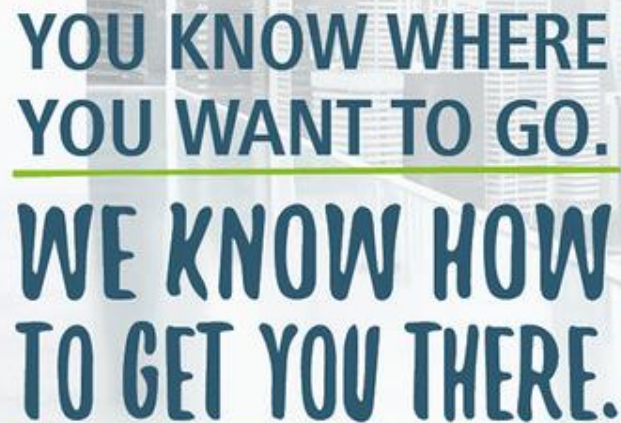

We focus on your future career in a global business environment. Our graduates are successful in business positions as well as in freelancer roles, in the media sector, in public relations and in non-profit companies:

- Managing positions in different industries
- Professions in research and teaching
- Leading positions in social and market research
- Project managing in public relations
- Business start-up
- Consulting, auditing and finance

***With us you can invest in an excellent education – and your future – without paying a fortune.***
